Dear Lois Day,

Well, this is the last time we will be ~~sitting~~ signing annuals. But I guess we will go on being friends for another 17 years. That is if you and A — don't kill each other. I won't go on with all that annual line, but Lois I have really enjoyed our friendship and hope it shall continue.

Lots of love,

JANUARY

"A house divided against itself cannot stand..." were the stirring words of Abraham Lincoln during the turbulent days prior to the Civil War. Yet those words of wisdom still hold today. True, we are not faced with a civil war at this time, but rather a War that is far more horrible in that it involves so much more than did our Civil War. Of all chaotic times we need Unity now more than ever before. We will attain Unity only by self sacrifice in the interest of those whom we are endeavoring to help, cooperation with those who are endeavoring to help us, good fellowship, Loyalty to support whatever activities in which we may participate, and attention to our duties. These are bands of common interest which bring us and hold us together—UNITED FOR VICTORY.

Brackenridge . . . an outstanding landmark

IN MEMORIAM

'It is rather for us to be here dedicated to the great task remaining before us — that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion, that we here highly resolve that these dead shall not have died in vain, that this nation under God, shall have a new birth of freedom, and that government of the people, by the people, and for the people shall not perish from the earth."

—Abraham Lincoln

Just as our nation had its new birth of freedom many years ago, as depicted in the above extract, so will this war-torn world have its birth as a sphere of free and democratic ideals when the horrors of total war are gone once more. In our memory lingers the thought of our once proud schoolmates as well as the other vast multitudes of peace-loving men who left their homeland in an attempt to subdue the evil brought about by the mad War-Lords. These brave men were once students like you and me, enjoying the freedom of a democratic nation. Rather than let their deeds pass without glory, we pay solemn tribute to them and their spirit which shall never die nor perish from our hearts.

OUR YOUNGEST SOLDIERS

Dedicated to the Brackenridge soldiers of eighteen—composed
by the "mother" of several hundred B H S. boys

"Dear Uncle Sam, I'm sending you today
My smallest son: he's very, very dear.
Please take him to your heart—relieve my fear.
He's still so young to fight, to kill to slay
'I must enlist,' he said. What could I say,
My heart in shreds, a smile to hide my tear,
My little school boy in his eighteenth year -
And yet I could not, would not bid him stay—"

He left last night, this precious child of mine.
God understands, for He, too, had a son
He sent to fight a global war for men
And I'll awake, some glorious day divine,
An Easter morn, the peace and victory won,
To find him standing at my side again.
His name, America, with you is filed.

Sincerely yours,

The Mother of the Child

A PRAYER

We utter a prayer for our loved ones
Who are fighting across the sea
That God may deliver them safely
Where e'er their plight may be.
We pray to the Lord in the heavens
Our land he may keep free
And when all the strife has been finished
Our prayer may answered be

We whisper a prayer for our enemies
The ones with a rising sun
To Christ, we shall pray, "Please forgive, Lord,
They know not what they have done."

Parent-Teacher Association

[illegible]

The Brackenridge Parent-Teacher Association has done well over five hundred hours of work on the home front meeting the challenge at all times. The program has been a flexible one and meets the needs of the community that of necessity arise in war time. The membership aware of the contribution it is making to the use of skilled readers to help the student.

help of the student body and many in our Executive Committee two representatives from the student body. It was an our pleasure to continue traditions of the Association and to give the High Reception for all new students and to give to each a new sewing student for their appropriate graduation dresses

Besides carrying on in regular departments the Association assisted in the organization of the student body and the new students and one of our army camps and invested surplus funds in war bonds. No effort of the P.T.A. could hope to attain even a small measure of success without the friendly cooperation of the principal faculty and entire student body of the school. The Association proudly acknowledges the assistance of the principal and humbly and gratefully says "thank you."

SOMEDAY

When the final curtain falls
On this bloodiest of wars,
And at last the bugle calls
The brave dead up to the stars,
And there is no need for walls
To curb the war-god Mars

Our glad voices to the sky
We shall raise to God on high,
Deeply thankful for the Light
That has won for truth and right

SENIOR CLASS

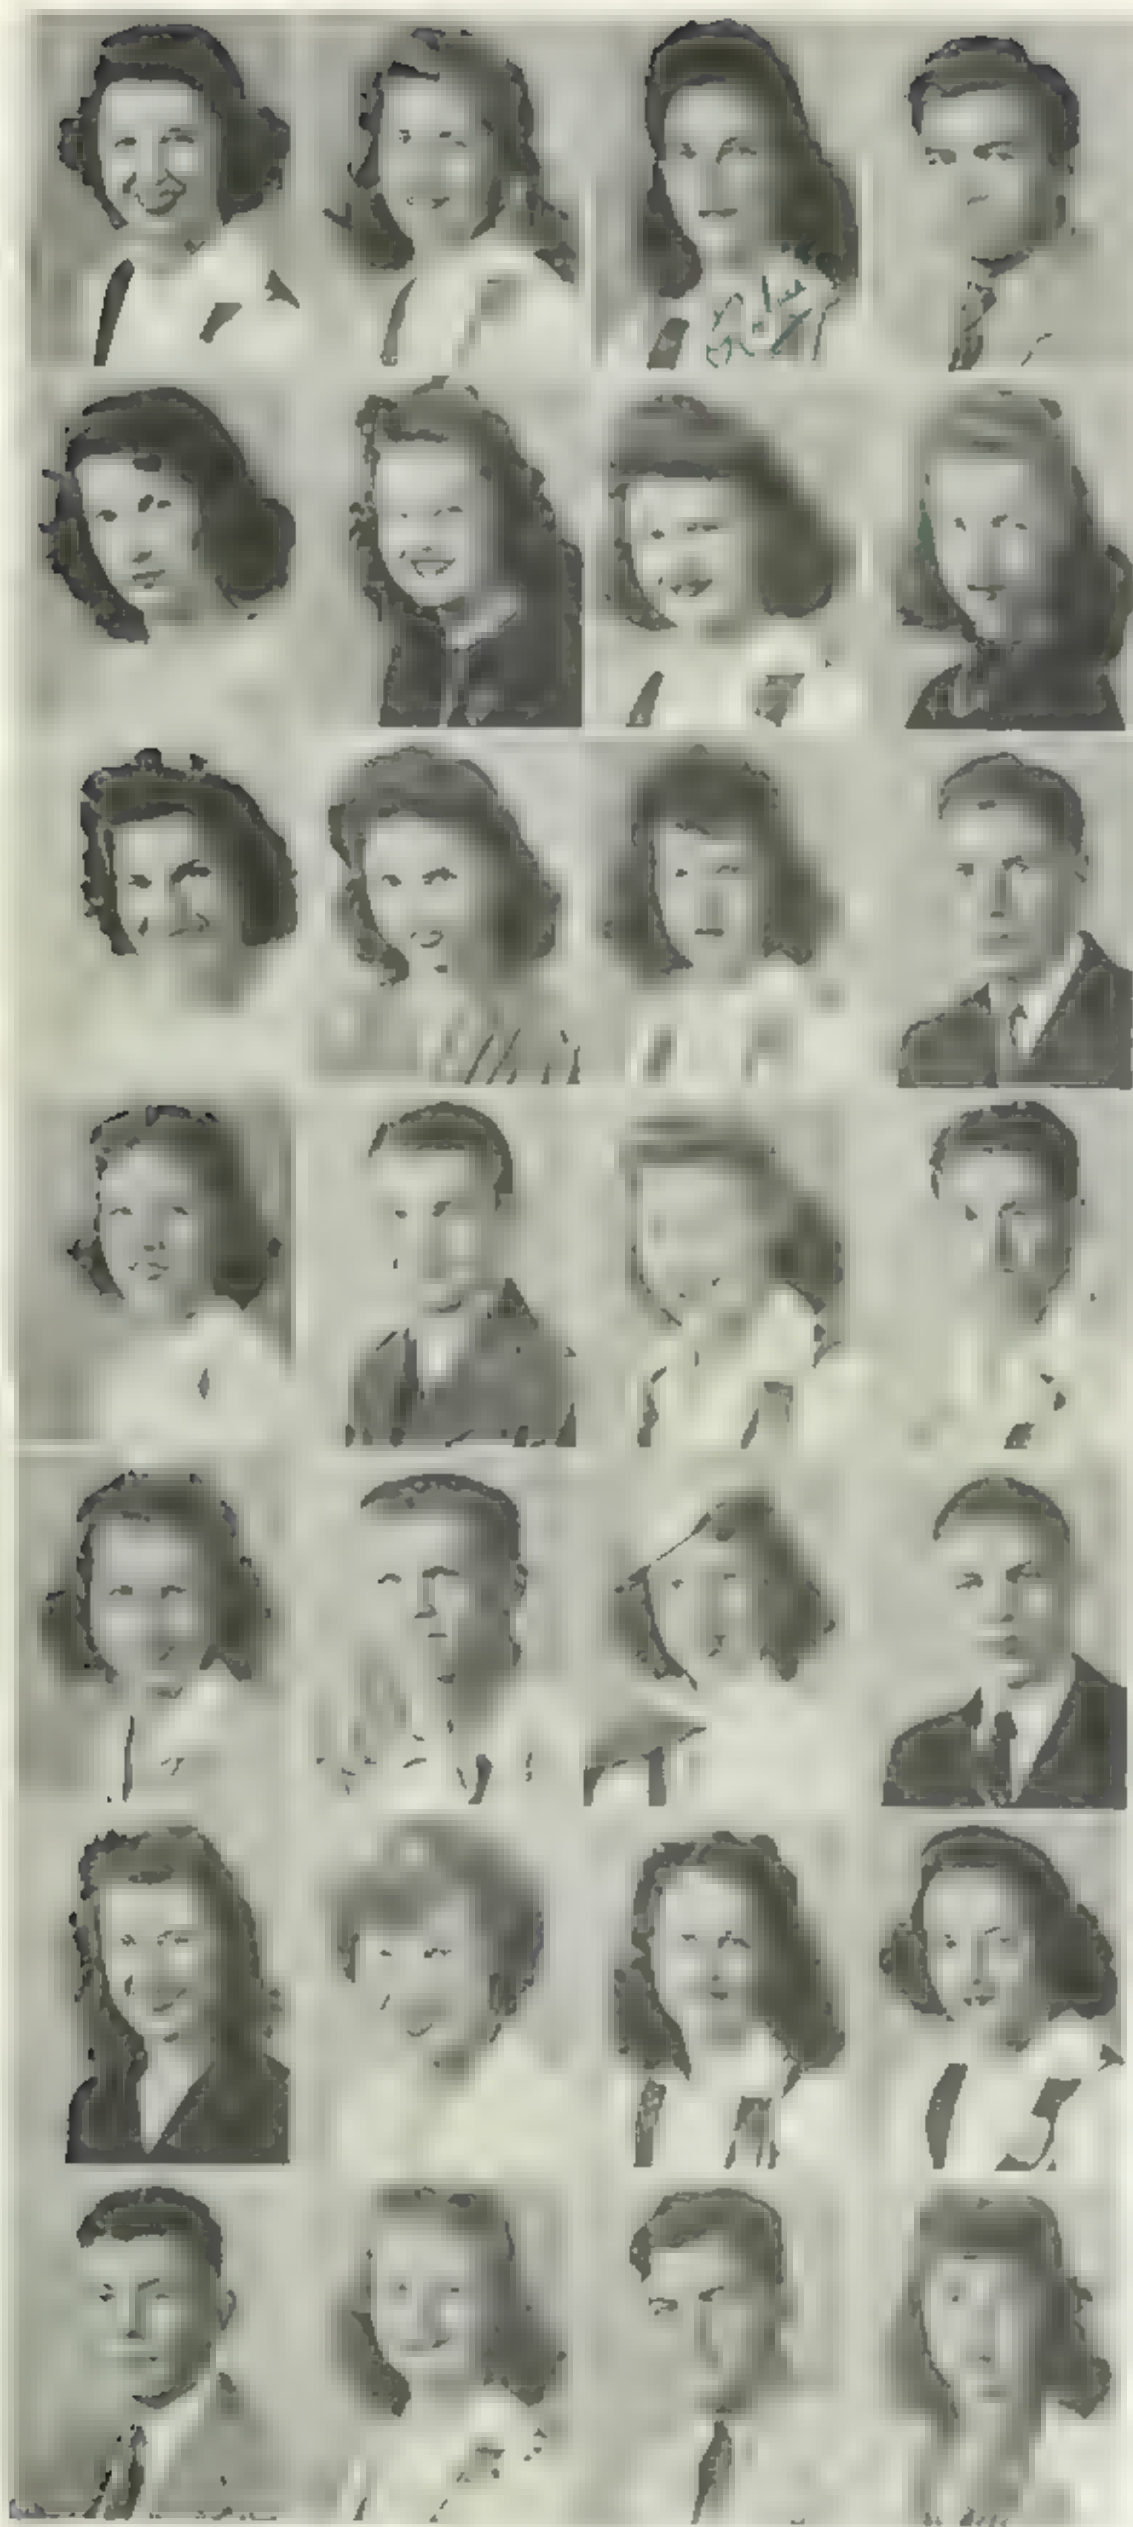

With Harvey Hugman as their leader and Mrs. Bate and Miss McCallum as their sponsors, the Senior Class of 1943 began their active year. A hard and earnest membership drive was held at the beginning of school which was indeed a success. The first dance that the seniors gave was "The Victory Prom," a formal held in November, which was a triumphant success. The seniors undertook a very difficult task this year, that of standardizing a ring for Brackenridge. After much reasoning and analyzing the entire student body was given the chance to pick the ring of their choice and the seniors' task was accomplished whereby Brackenridge was again to have a standard ring. In February the seniors had their annual picnic which was one of the most successful senior picnics ever given. The seniors had their second dance, "The Lompkin's Leap," in March which also

SENIOR CLASS

—(Cont'd)

proved to be a howling success. Due to war conditions the seniors felt that the least they could do toward the war effort was to give up their formal dresses and formal suits for graduation, so they voted to graduate in caps and gowns which is the first time in the history of Brackenridge that a class has taken this step forward. The Senior Play, "When Stars Shine," was given in April under the splendid direction of Miss Jeston Dickey. It was another activity that was put on the list of success. With all activities well done and laid aside, the seniors eagerly awaited the Baccalaureate Sermon and Commencement Exercises. Amid laughter and sad goodbyes said with heavy hearts the senior class of '43 ended three happy and successfully spent years.

GOD SPEED, MY FRIEND

God speed, my friend, we say goodbye,
You're off to war, perhaps to die
Your cause is just, your purpose true
And we at home will think of you

Now as we part, a glistening tear
Quite unashamed is seen appear—
Our hearts are heavy, you must leave—
For, the evil, not for you we grieve

You're leaving us to win the peace,
Defend us and make wars to cease—
Our enemy's plan is greed and hate,
But you are brave—your country great

We say goodbye, my friend, God speed
As now your Country's call you heed

—Bob Stapleton

JUNIORS

I hear the drums, the trumpets blare,

I hear the call from over there

We're at war, we must to arms

Before the foe our freedom harms

Our strength lies in determination,

It's war for all, not just our nation

To arms! Our banners are unfurled,

Our cause is just; we'll save the world

Why do our boys enlist to die

For Tyrant's deed and Tyrant's lie?

Why must they suffer, pains endure,

For other's evils find the cure

Someday our brave will find their rest

With other heroes to be blest

They will sound the Tyrant's knell

And peace will ring from every bell

JUNIOR CLASS HISTORY (1942-1943)

Having established our citizenship in Brackenridge after completing a successful sophomore year, the Junior Class, sponsored by Miss Christine Lawrence and Miss Elsa Burg entered its junior year with much enthusiasm.

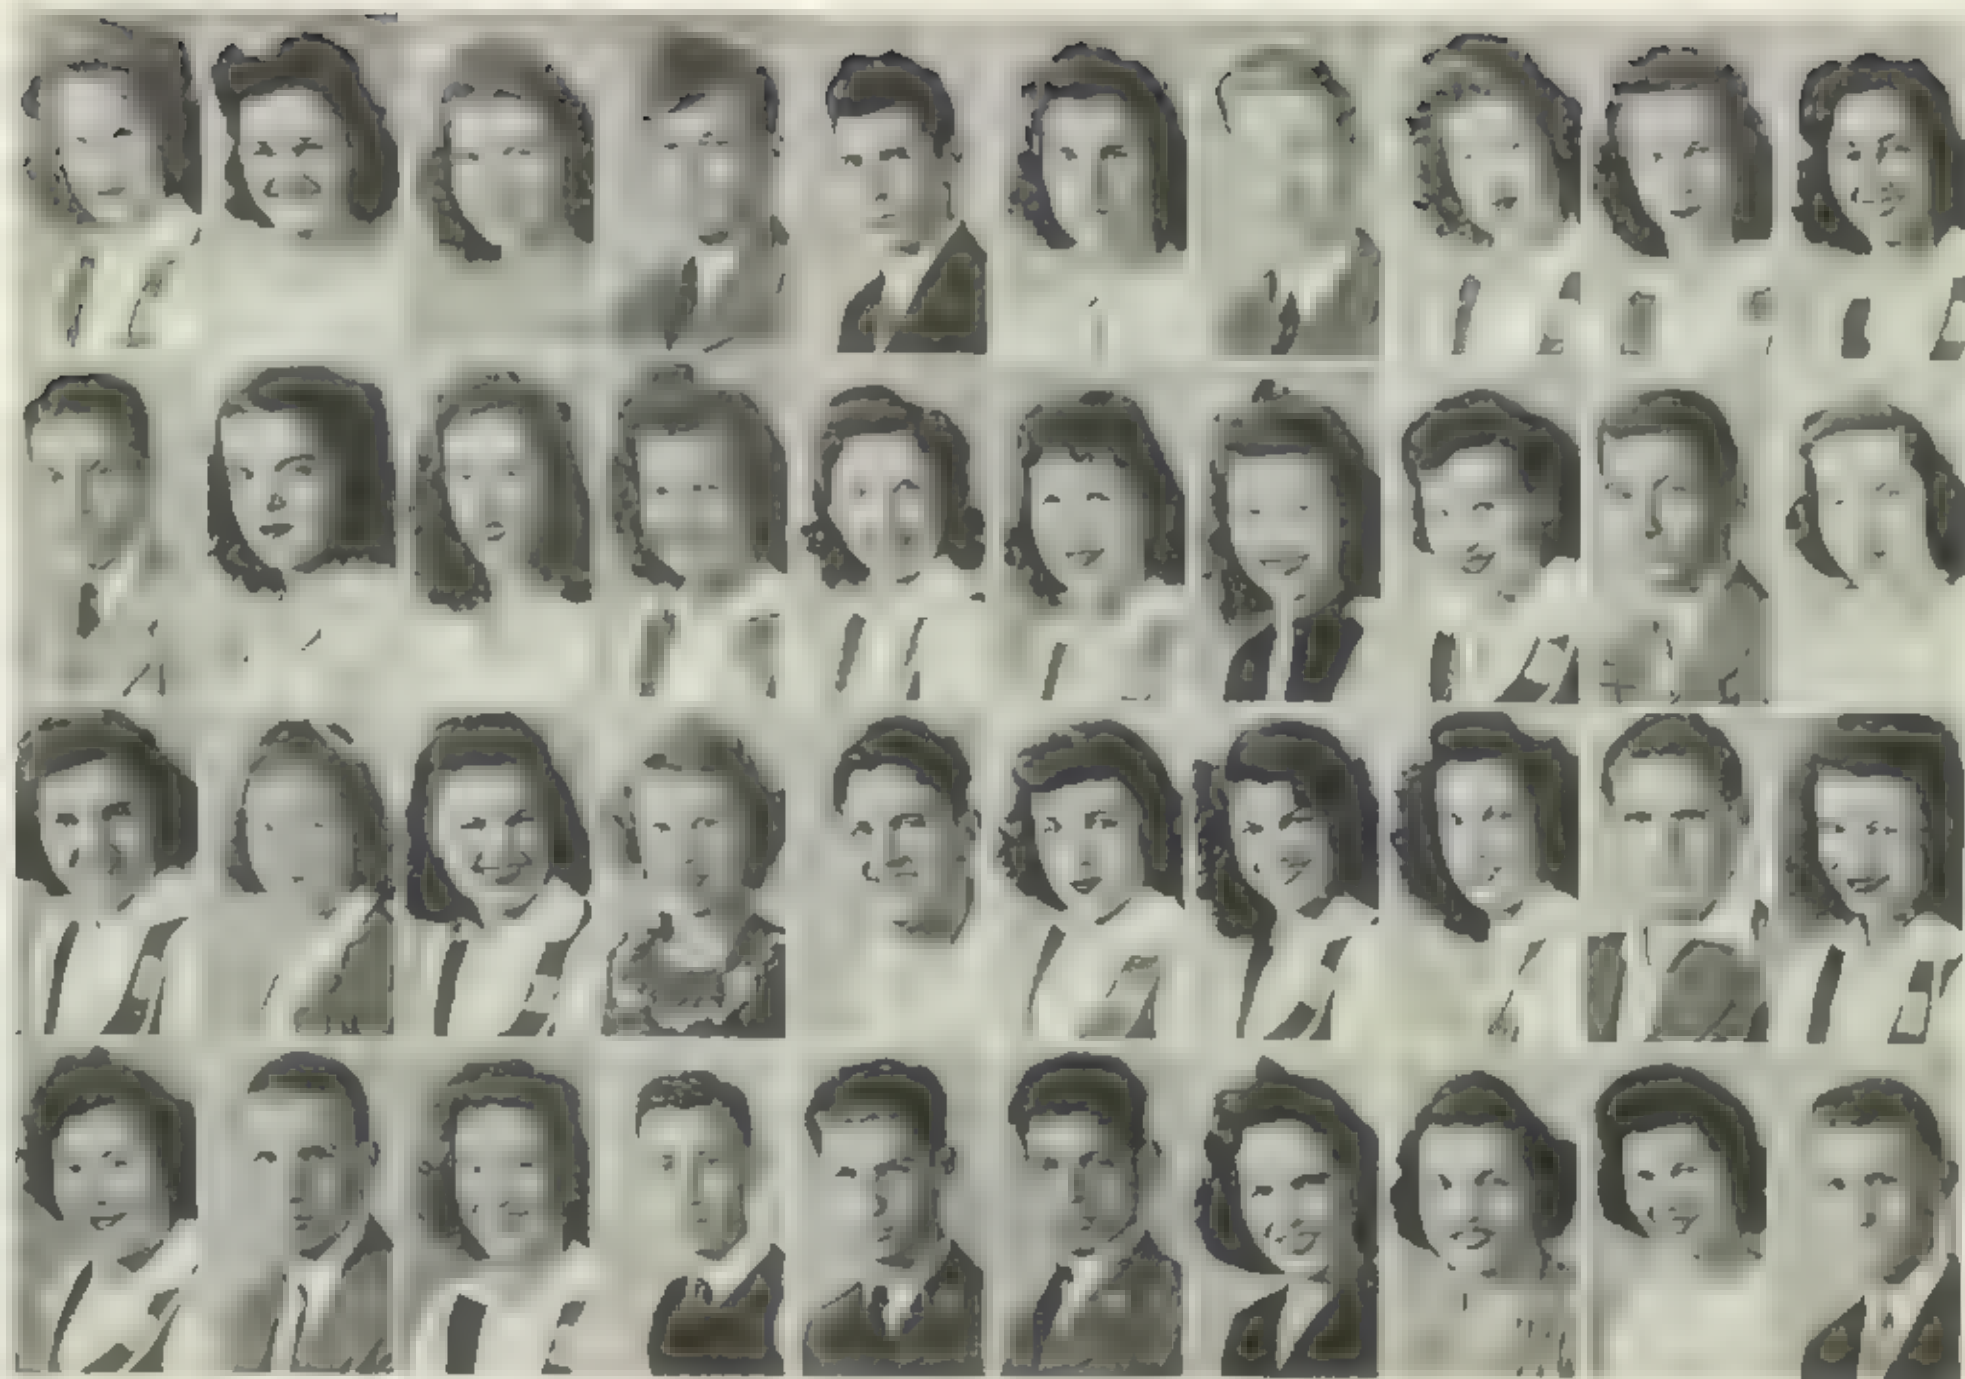

Under the leadership of our able president, Paul Ranney, and through the cooperation of the class members, our class had a year filled with activities

In order to really get things started, a dues campaign was sponsored, and through the sincere efforts of the dues collectors from each of the advisories, the class netted a sizeable sum for its treasury

Never to be forgotten was the annual Junior Prom, an informal dance this year because of the war, but the usual sweet sentiment for the time of Valentine prevailed. The sweetheart theme was carried out and the evening closed with a lasting memory of "Cupid's Capers" to remain in the minds of all who attended

Having completed successfully our sophomore and junior years, we look forward eagerly to our senior year with a hope and a determination that it, too, will be successful

I AM THE FLAG

In 1777 I was born in the brain of the Commander-in-chief of the American forces, General George Washington . Yes, such was the title they gave him, that grave, erect leader of rabble. He must have known as he conceived me that the very ragged rebels he led into battle were the forefathers of a mighty nation, who would carry me forever as their banner

I have seen much. As a child I waved bravely over a ragged band of farmers who first proved that brotherhood and freedom were practical terms

I was borne over French fields red with poppies and the blood of American boys in the World War, and my flaming ensign was flown over ships sailing our expeditionary forces back in another freedom's victory

Today I wave in Guadalcanal, in the Aleutians, and across the other sea in England and Africa as a challenge and warning to all the enemies of brotherhood and liberty. Defeats will only wash in tears my red, white, and blue and make their colors clearer — there can be no permanent defeat for me, for I am Victory's inner spirit . .

Someday what the colors of my folds signify will spread like wings of peace over humanity, when courage, peace, and fidelity shall safeguard the liberty of man everywhere. So long as brotherhood lives on earth, I, the Star Spangled Banner, "in triumph shall wave o'er the land of the free and the home of the brave"

SOPHOMORE CLASS HISTORY 1942-1943

The sophomore class of 1943 speeded off to a grand start by selecting to office a staff of efficient, hard-working officers. The inexperienced sophomores, in their initial tasks have now found their stride under the able guidance of their sponsors, Miss Cecile Lawrence and Miss Nell Beasley. With the splendid cooperation of the class members, the officers plotted a very successful year full of glorious achievements. Among these activities we find the sophomores sponsoring a dance, which ranked among the best of the year, and a picnic packed with unlimited fun and thrills. Both of these activities, in line with all the rest, reached the height of success. If one were to analyze the first year of the sophomores, he would find a class with a glorious beginning, a successful ending, and greater still, a class with a very promising future.

BLESSED BY THE DAY

The sun will shine, the birds will sing,
And men will laugh while bells will ring.
The bees will dance around the comb,
And children in the fields will roam

All men before the shrine will kneel
To tell the Lord of how they feel
To send their loving, humble thanks
To Him on high from lowly ranks

And blessed will be that happy day
When skies are blue instead of gray,
And from far lands across the foam
Our peerless boys come marching home

R.O.T.C.

The Brackenridge Regiment of the Reserve Officer's Training Corps is now working in close cooperation with the various branches of our military services. Organized in March, 1918, this organization became the first unit of its kind in San Antonio. From that time up to the present, the Brackenridge R.O.T.C. has grown in magnitude until it has now reached the peak of its career as a basic military organization. These cadets show the spirit of their fellow-men who are away at the front, engaged in mortal combat with our enemies. The various phases of training in our Corps teach the cadets the basic principles and technical details of actual combat training.

The Brackenridge Folk-lore Society, one of the newest organizations in Brackenridge High School, was organized in September, 1942, with Miss Leilet Richter, as sponsor. The aims and ideals of the Society as stated in the Constitution are: "To learn more of the folk-lore and history of our city and state, to visit the various places of historic interest in San Antonio, and to interest others in the same." Two meetings a month are given over to learning old-time Texas reels and square dance.

The Society's activities began in October with a tour of historic places in San Antonio, sponsored by the local Chapter of University Women. Later, we visited Mission Concepcion and Concepcion battlefield. The Society also held a square dance in February. The Society's activities ended in May with a square dance. This ended an active year for the organization.

It is destined to ever greater prominence and activity.

The Gold Bug Short Story Club under the leadership of Miss Wimberly is striving for better and greater things for our country. This year more than ever we find it necessary to stress our program and other things that demand of English and recreation for times that may be a little difficult.

Following the election of our new members which takes place in November an initiation with the customary presentation is held. Although the number of members is limited by the constitution when one is once elected to our club, she will always be considered a member.

Gold Bug tradition, based on events since 1918 was continued in the spring when our annual banquet brought all the members together around a festive table.

Gold Bug Short Story Club

Gold Bug Short Story Club

Mother's Day and the Story Telling Festival provided a scene of keen but friendly competition among the three classes of contestants—sophomores, juniors, and seniors—for possession of the coveted Gold Bug emblems of superiority in the telling of tales. We have seen the Gold Bug emblem awarded to the winners of the contest. The Gold Bug emblem is a symbol of the Gold Bug Short Story Club. It is a symbol of the club's purpose to preserve these things dear to our hearts—that we determine to give our best

At the end of the year the officers of the Wa Kapa Club for the spring term relinquished their offices to the officers elected for the spring term.

The winter party and the party given for the prospective members were very successful.

In an impressive ceremony each new member was presented with a lovely corsage.

One of the most successful parties given was the one given at the Koenig Park. It was a very successful party which will long be remembered by the members of the Wa Kapa Club.

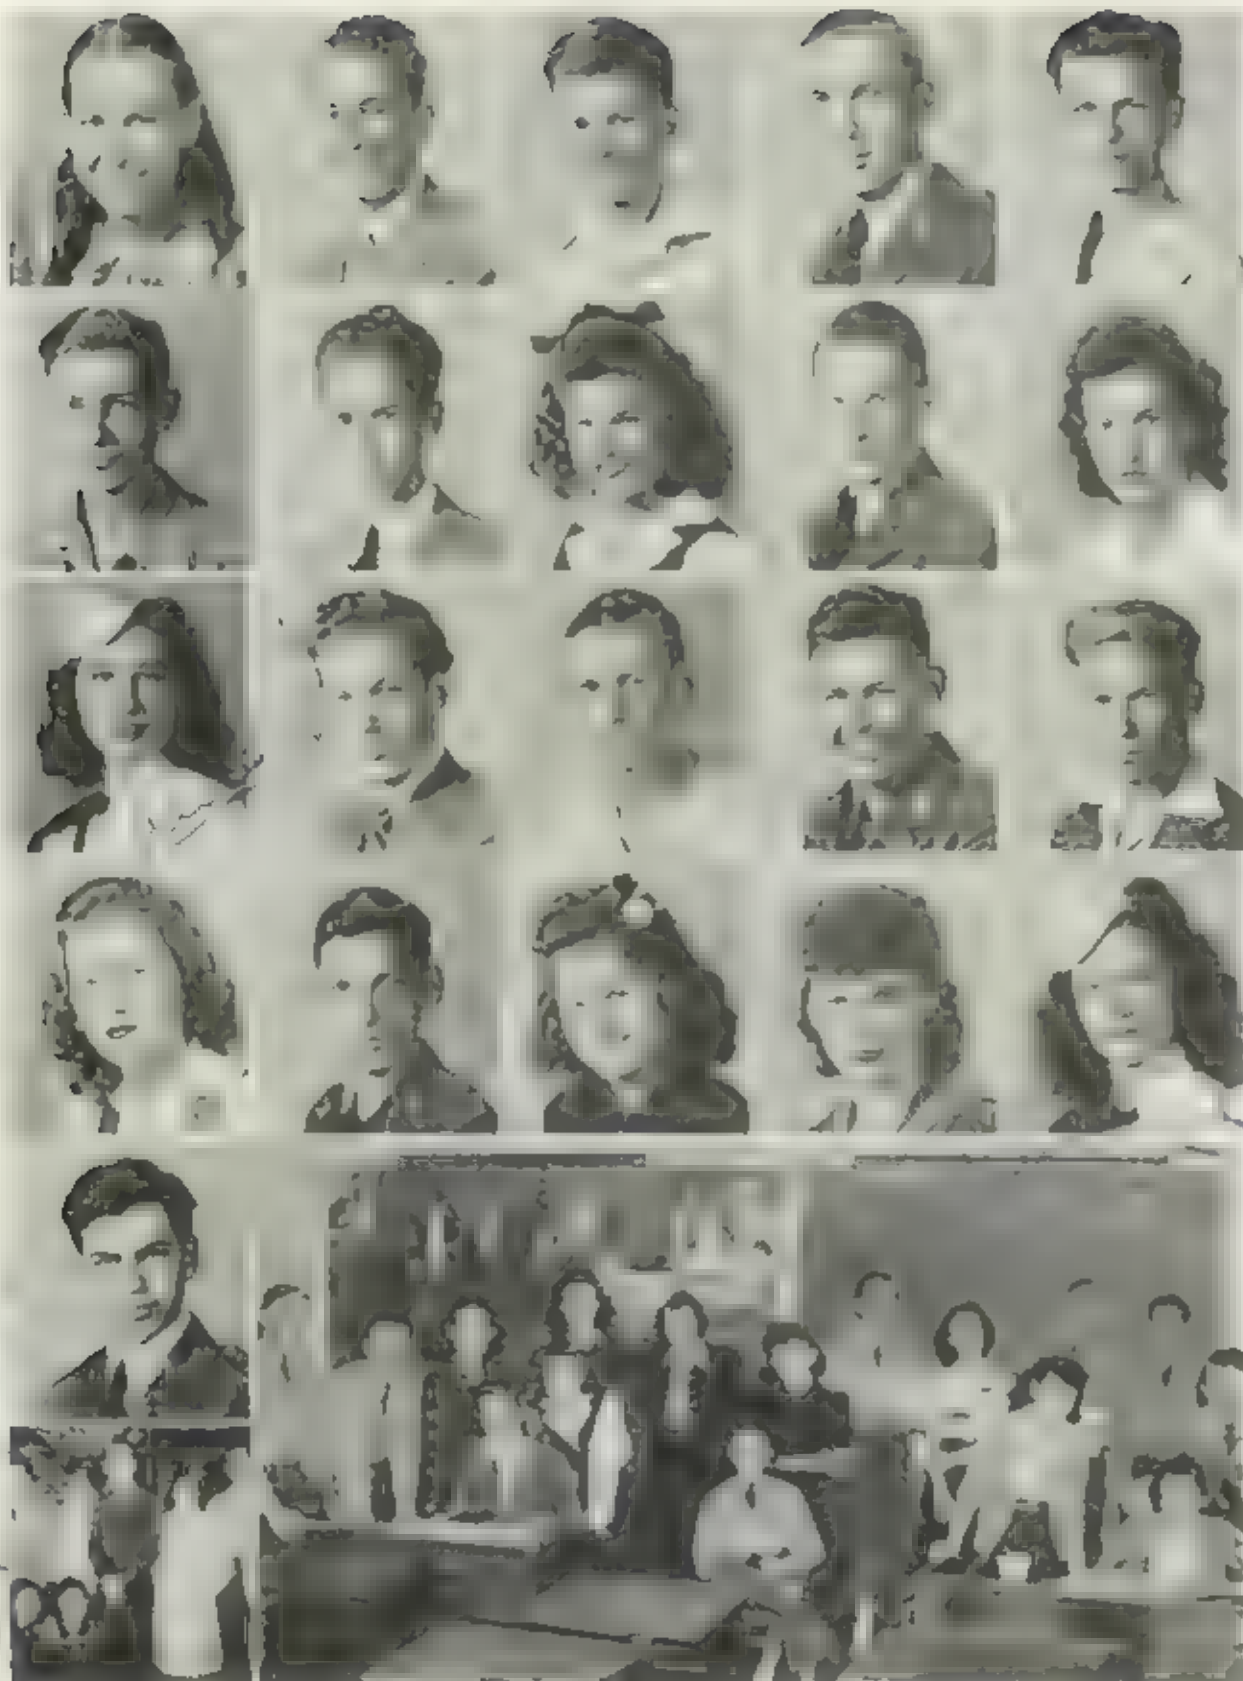

In May the new members of the seniors was given. This is always a very successful party yet with an overtone of sadness as we bid good bye to our friends who have spent so many pleasant hours.

The Junior Historians find enjoyment in Texas history, and in the spring of 1941, with Mrs. Morgan as sponsor, the junior division of the Texas State Historical Association

Crammed with activities, this year has been especially enjoyable for the club membership. Mr C Stanley Banks, well known historian of San Antonio, spoke to the club members on "The Siege and Fall of the Alamo" Historical facts of this famous historical site were presented, the courage of the early Texans who defended it to the end

During September, the Junior Historians presented a play, "The White Christmas Frolic," one of the successes of the year

To finance the club's activities, ever, the Junior Historians presented a play, "The White Christmas Frolic," one of the successes of the year

After touring the winding San Antonio River in a motor launch, the Junior Historians practiced for the coming pageant to be given during Texas Week. The pageant was a most successful one, and the club. Blue ribbons were also presented to those students making A in

Although these activities have been especially enjoyable, the Junior Historians are still full of not only enjoyment but also a sense of accomplishment

The Girl Reserves

As junior members of the Young Women's Christian Association, the Girl Reserves contribute to the purpose of their paternal organization. "To build a fellowship of young men and girls devoted to the task of realizing in our common life those ideals of personal and social service to which we are indebted by our faith as Christians. In this endeavor we seek to understand the needs of the world, to love for all people to grow in the knowledge and love of God."

Among the activities enjoyed by the Girl Reserves are the delightful initiation service at the Y.W.C.A., a party at which quinnits were made, and a hayride to Buckaroo Dude Ranch. Other social events include a line tea, a second quinn party, the Girl Reserve-Hi-Y Dance, and our monthly Monday-night suppers at the Y.W.C.A. for city-wide Girl Reserve Clubs. To complete the year, a picnic was held in May.

The Brackendale Debating Society began its work in September with a strong and working group. All the empty places in the club were filled quickly with a large representation of the outstanding boys in Brackendale High School. With such members the B. D. S. was certain to have a successful year. After the new members had been admitted and had been entertained by a social, a regular series of debates was started with all members participating. The most outstanding debater is a receiver of a cup for his debating ability.

The annual Spring Formal was made a reality after. The entertainment committee planned a grand dance to be held at the C. House in Lincoln. All the members of the club and many friends were invited. A printed program, even a dress code, and a song were arranged. The dance was a great success with no less than 100 guests in attendance. Much of the credit for the success of the club this year must go to Mrs. Laura Keller, our splendid sponsor.

Hi-Y Club

The Hi-Y Club is a group of young men who are interested in physical education and sports. They are organized into a club and have a variety of activities. The club is open to all young men who are interested in the sport. The club has a variety of equipment and facilities. The club is a great place for young men to learn and grow.

Hi-Y Club

We have never met an individual who was not a member of the Hi-Y Club. We have a large number of members who are active in the club.

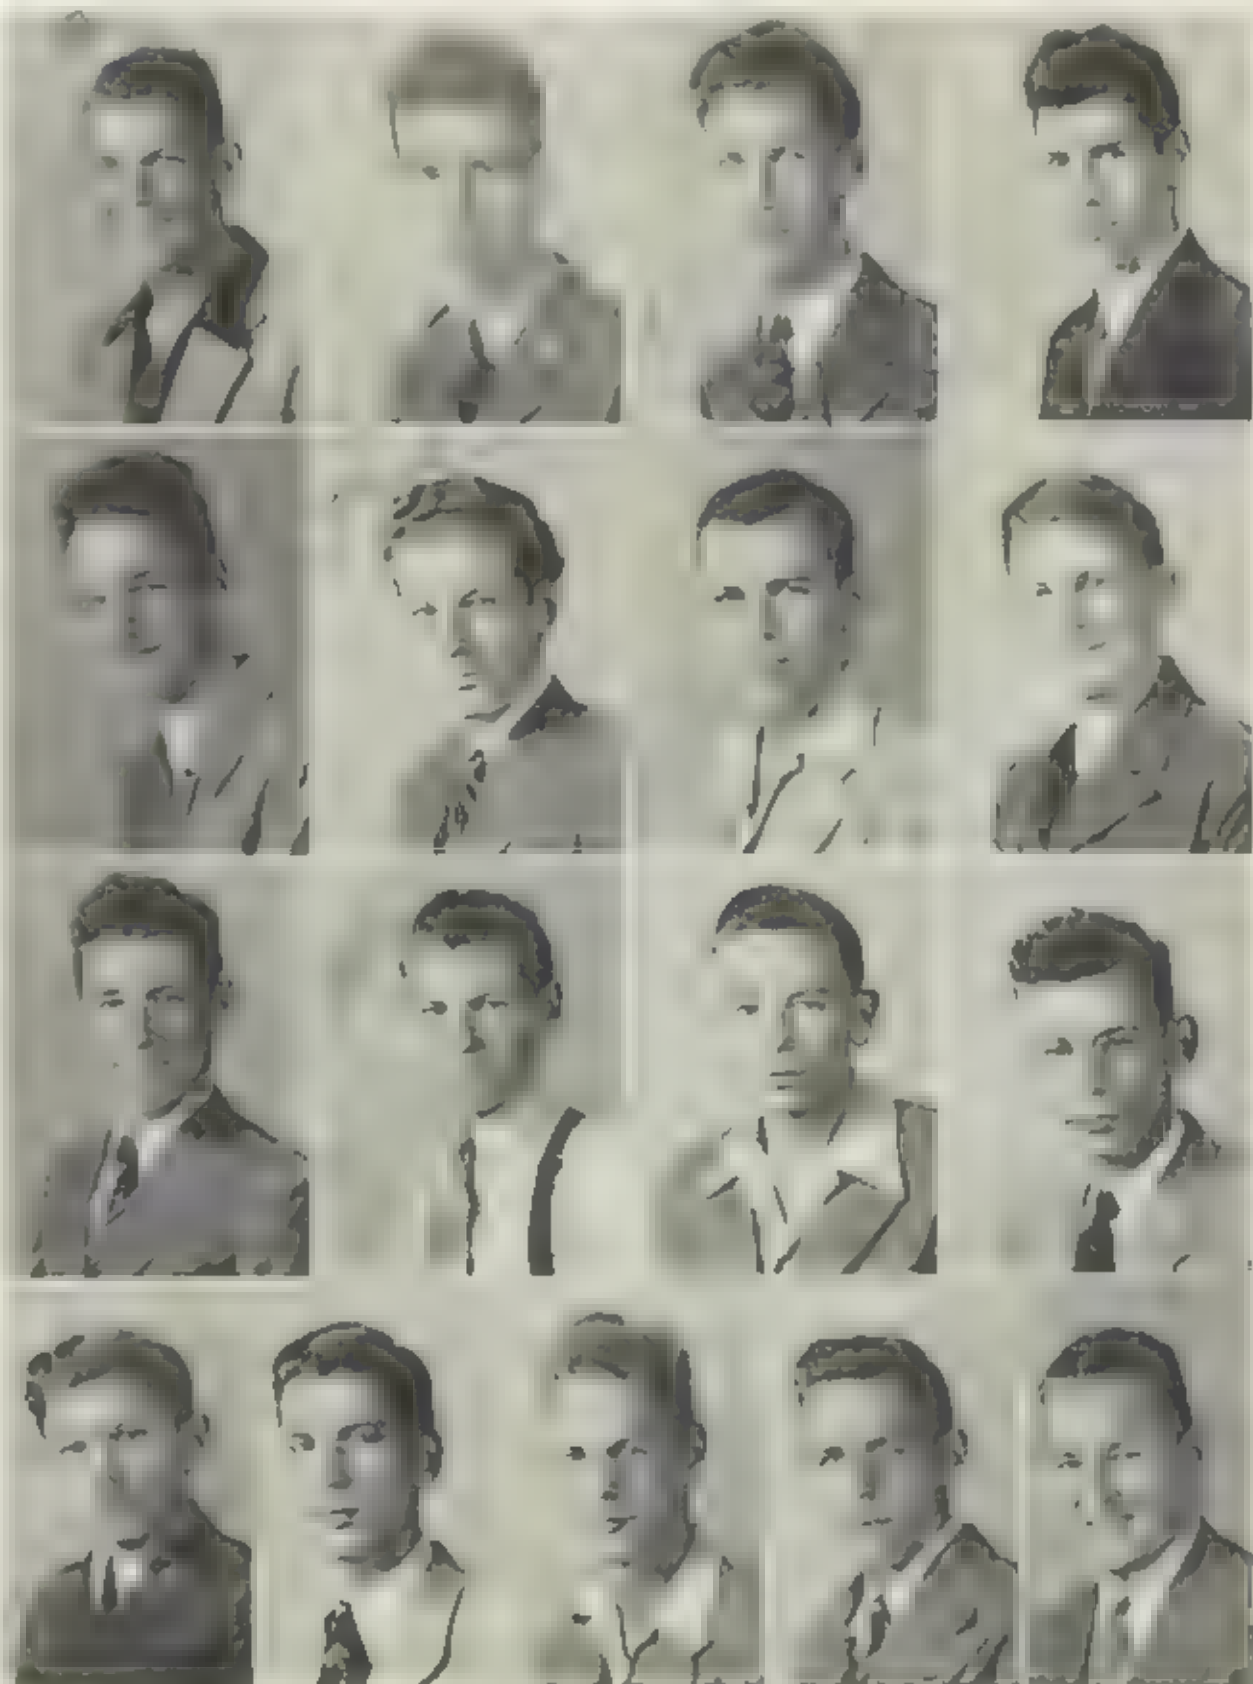

It was only in the year 1914 that the Hi-Y Club was first organized. At that time it was only a small group of students who met to discuss the problems of the day. The club has since grown to a large organization and the Y.M.C.A. The two chief activities of the club are swimming and dancing.

OH, SAY CAN YOU SEE

Our flag, symbol of liberty, so simple to look at yet so beautiful in its simplicity! This plainness represents things that mean so much to man

Mr. Average American, to whom Old Glory is a common sight and the wonders it stands for merely habits, what thoughts run through your mind as you stop to gaze for a moment at your flag? Do you remember how your liberty-loving ancestors gave their very lives so that you might be free? You stand there, and little chills run up and down your spine as you think of the unbelievable advantages you have over every other race in the world. Mr. Plain Man, wonderful in your simple, easy going, co-operative life, of course you cannot just stand and gaze and think much. You have to get to your job at the war plant and work hard to make sure that your children will have the liberty and freedom you have

It is the responsibility of the State to provide the best possible education for all its citizens. The State should ensure that every child has access to quality education, regardless of their background or economic status. This is not only a moral obligation but also a practical one, as an educated citizenry is essential for the development of a nation. The State should invest in education, particularly in the early years, to lay a strong foundation for the future. It should also ensure that the curriculum is relevant and up-to-date, reflecting the needs of the society. The State should also promote the use of technology in education to enhance the learning experience. Finally, the State should ensure that the education system is accountable and transparent, with regular assessments and evaluations to ensure the quality of the education provided. By doing so, the State can ensure that its citizens are well-equipped to face the challenges of the future and contribute to the development of the nation.

Forced to play second-fiddle to Jefferson's Track Team throughout the season, the Eagles nevertheless were the only team in San Antonio who could stay within hailing distance of the Mustangs when it came to a track meet. Led by such notables as James Strong, James Southworth and Franklin Young and with a 440 yd. relay team which consisted of Tom Watt, Jack Berry, Ned Snyder and James Strong, the Eagles were second at the Border Olympics. Second in the Edison Meet, second in the Alamo Heights meet, second in the Sub-Regional Meet. The Eagles were forced to operate with a great many sophomores this season. Coach Forehand is looking for bigger and better things next year.

Boasting a fine defense and many adept ball handlers, the Brackenridge basketball team had a successful season. Their first game was a 16-17 win over the Jefferson Mustangs. Led by Roland Lehner, Dick Westkaemper, and Frank Means, the Birds began district competition with a decisive win over Laredo High School and then managed to slip by San Antonio Tech by one point. They were then defeated by Austin and Jefferson to be eliminated from competitions. Playing their last years on the basketball squad, Jack Nipper and Bobby Wilson were selected as co-captains for the year.

Although the Brackenridge Eagle's 1943 tennis squad was inferior to that of 1942, it was still a power in local tennis circles. The girls tennis squad coach by Miss Rector, consisted of Virginia Foasch and Dorothy Brand, doubles, Gerry Schuehle, singles, and Dorothy Byod, alternate, who, however, was not used. Practice games, before regular competition were with Harlandale, Alamo Heights, and Hot Wells. In the City Meet Gerry Schuehle defeated by Burbank opponent in the semi-finals and was then defeated by a Jefferson player in the finals. Dorothy Brand and Virginia Frasn won over Burbank and then emerged victorious over Jefferson. In the sub-regional meet the girls doubles lost to Pleasanton in the Preliminaries. Taken together, I believe that the Commission's findings are correct. The evidence shows that the White House staff, including the President's personal secretary, were involved in the cover-up. The Commission's report is a fair and accurate summary of the facts. The President and his staff should be held accountable for their actions. The Commission's findings are a necessary step towards truth and justice.

you all the luck and success in the
world. It's really been swell knowing
you. Believe it or not you really
rate with a lot more people than you
could realize. (you know, silent and so
quite admirers). (One out of five.) You
and Gus keep on speaking terms
for God's sake, because as long
as you're on speaking terms you're
okay. Be good and don't forget
me. Please!
